About Me

Energetic and creative individual passionate about marketing, event planning, and coordination. With hands-on experience organizing university tours, seminars, and customer service in retail, I thrive in dynamic environments that require teamwork, quick thinking, and innovative ideas. I enjoy connecting with people, sharing knowledge, and finding fresh approaches to problem-solving.

Professional Belief

I believe great outcomes come from strong teamwork, clear communication, and a hands-on approach. Every event or campaign is a chance to solve problems creatively and bring people together.
